OVERSEAS VISIT TO THE REPUBLIC OF IRELAND
Thursday 23 – Tuesday 28 August 2012

For the attention of all wishing to attend this Visit

Having despatched the Programme itinerary to all 200+ members, I have just realised that I should have included the following wording to reflect the exceptional demand for hotel rooms in Dublin during the “Tall Ships Festival” and the “tight rope” nature of the holding arrangements.

The Wynn’s Hotel is holding 15 rooms until the 13 February, this figure being my tentative guess as to the numbers attending.

Should the level of response dictate fewer than 15 rooms, the group rate published may no longer apply.

If the response dictates more than 15 rooms, I shall approach the Hotel to establish if further rooms are available.

In view of the above, please **DO NOT MAKE ANY TRAVEL ARRANGEMENTS** until you receive confirmation from me that rooms are available for the final party size.

Yours sincerely

Peter Parkin
